Last updated 08/10/2020

Erasmus activities are carried out with the support of the European Commission within the framework of the Erasmus+ Programme.

Erasmus Exchange Destinations

This list of our partner institutions and exchange opportunities for 2020/21 is split into two categories:

- General exchanges
- Subject-Specific exchanges

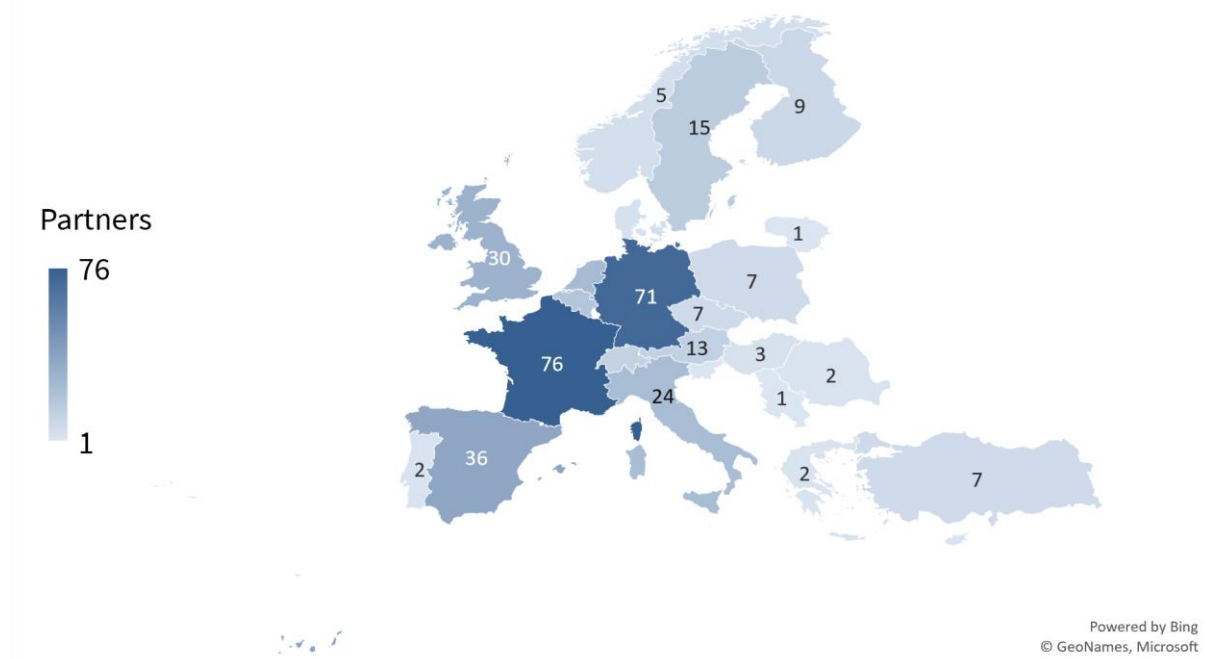

Throughout this document you will see references to some non-EU partner universities, these are accessible through International Credit Mobility (ICM), a specific type of Erasmus+ exchange to other parts of the world (contact the Coordinator for more info.).

Overview of the Erasmus Partners Network

Trinity has Erasmus exchange agreements with around 180 universities in more than 20 countries. On average there are approximately two Subject-Specific exchange agreements with each partner university.

Country Partnership Agreements

Austria	13	Hungary	3	Serbia	1
Belgium	19	Italy	24	Slovenia	1
Cyprus	1	Lithuania	1	Spain	36
Czechia	7	Malta	4	Sweden	15
Denmark	4	Netherlands	25	Switzerland ¹	12
Finland	9	Norway	5	Turkey	7
France	76	Poland	7	UK ²	30
Germany	71	Portugal	2		
Greece	2	Romania	2		

¹ At the time of writing Switzerland is not a member of the Erasmus+ Programme but it has a parallel equivalent programme in place, the Swiss-European Mobility Programme (SEMP) which is administered by the Erasmus team in Trinity.

² At the time of writing the UK is still a full member of the Erasmus+ Programme. It is unclear how the ongoing Brexit negotiations will impact its future participation but our links to the UK will be maintained.

General exchanges

Exchanges open to almost any student whose degree permits study abroad and who can find a suitable course combination. Restrictions apply.

For more information on each host university please visit the partner university website and contact the listed Outbound Coordinator if necessary.

Students need to ensure that their host university is compatible with their subject combinations and their pathway, whether single or joint honors etc. The Outbound Coordinators will be able to help you check that the host university allows you to take enough credits in all of your subjects.

Please note, the ISCED Code (International Standard Classification of Education Code) is a statistical framework for organizing fields of education and training used in the Erasmus+ Programme and will be needed when completing Erasmus Grant forms and Learning Agreements as will the Erasmus Code.
