Visa and Immigration Information

Students who hold an EU passport do not require a visa to study and work in Ireland. Some, but not all, non-EU/EEA students require an entry visa for Ireland. For example, students coming from the United States or Canada do not require a visa to enter Ireland. To see if you require a visa for Ireland visit: www.inis.gov.ie/en/INIS/Pages/check-irish-visa

Non-EU students who do not require a visa will still be required to register with the Irish Naturalisation and Immigration Service (INIS) after arrival. Please see Immigration information on page 4.

Applying for a Visa

Students should submit their visa applications using the AVATS facility at www.visas.inis.gov.ie. The application will only be processed when the online form is completed and the required documentation, passport photograph and appropriate fee are received by the relevant offices as indicated by the online system. There is a dedicated visa processing office in China, India, Nigeria, Russia, United Arab Emirates and the United Kingdom. Non-EU students resident in these countries, please refer to your local Irish Embassy website for details of further documentation which may be required.

Please refer to the links below for visa guidelines: www.inis.gov.ie/en/inis/pages/students

Contact details for embassies can be found here: www.dfa.ie/embassies

Additional information on visas and immigration and Covid-19 Updates can be found at: www.inis.gov.ie

▶ You can check online for visa decisions using your visa application number at: www.inis.gov.ie/en/inis/pages/visa%20decisions
▶ When your visa is approved, the Embassy to which you sent your documents will affix a visa to your passport.

Immigration

At the Airport

All non-EU/EEA citizens who do not hold an EU passport, whether visa-required or not, are subject to ordinary immigration controls at the port of entry (ordinarily the airport). The Immigration Officer on duty determines who is actually allowed to enter Ireland. If your documentation is in order, he/she will stamp your passport for up to three months (90 days). All non-EU students must register with the Irish Naturalisation and Immigration Service (INIS) within the time limit stamped on the passport. At the immigration desk, you should be prepared to present the following documents:

▶ Your valid passport
▶ Your IFP offer letter – proof of in-person requirement (only while COVID-19 restrictions are in place)
▶ Confirmation of fees paid (at least deposit) or scholarship/grant received
▶ Bank statement showing finances to support your stay
▶ Proof of health insurance

You should keep these documents with you in your carry-on luggage as immigration border control is before baggage claim. You should also keep all these documents ready, as you will need them again when you register with the INIS.

Irish Naturalisation and Immigration Service (INIS)

The Irish Naturalisation and Immigration Service (INIS) is located on Burgh Quay, Dublin 2, approximately a 5-minute walk from the campus. You must have an appointment to visit the INIS Office.

To book an appointment visit: burghquayregistrationoffice.inis.gov.ie

Students should only book appointments via the INIS website and should never use unauthorised third-party services.

In order to register with the INIS, students must collect the following documents to support their application. Please allow 5 working days for Irish bank statements and for documents needed from Academic Registry.

Mandatory Supporting Documents

▶ Proof of IFP registration (from Academic Registry).
  Note: This document must be issued and dated within 7 days before your INIS appointment
▶ Bank statement from an Irish bank account showing at least €3,000 available.
▶ Valid passport
▶ Proof of health insurance
▶ €300 fee (credit/debit card or bank draft only; no cash).

INIS Registration

Details on how to register with the INIS will be provided in September. Students should aim to schedule an appointment to register with INIS once they complete their registration for the IFP.

*Students under the age of 18 registering with INIS will have to be accompanied by a legal guardian resident in the ROI. Please see Guardianship Brochure
Financial Information

Opening a Bank Account

Marino will advise and help you to open a bank account on your first day on the IFP. You must open a bank account in person in a bank branch. You are advised to open an Irish bank account after you secure accommodation in Ireland.

They may request to see your Trinity offer letter as proof of your circumstances.

Mandatory Documents to Open an Account

▶ Photo ID (Passport or National ID card)
▶ Trinity ID card*
▶ Proof of address: utility bill, Revenue/PPS letter, letter from IFP Admissions sent to Irish address
▶ Other documents may be requested depending on the bank and their policy on students’ country of origin.

There are normally no fees charged on student bank accounts. Ireland's most popular banks:

▶ AIB  www.aib.ie
▶ Bank of Ireland  www.bankofireland.com
▶ KBC Bank  www.kbc.ie

After opening an account, you will be able to sign up for online banking and link to a home account. Please allow five working days for bank statement requests, whether made online or in a branch. If you will be under 18 at the time of opening your bank account, you will need a guardian to accompany you to open a bank account.

*If opening account prior to ID card collection, bank may accept IFP offer letter and proof of fees paid as evidence of student status.

Bringing Money to Ireland

Please bring only a small amount in Euro for your arrival. Marino does not have any facilities to keep cash safe for you.

You should inquire with your bank at home if you can use your debit or credit card in Ireland, as this could be a safe way to obtain cash immediately after your arrival.

Once you have opened a bank account in Dublin, money can be transferred by electronic / wire transfer into your new account. Before you leave home, talk to your local bank to find out all the details about making transfers to your account in Ireland (e.g. maximum amount, how long it takes, how much it costs) so that you can plan the best system for your circumstances.

International Visa/Debit cards often require proof of photo ID. Travellers’ cheques are not widely accepted in Ireland.

Currency

The currency in Ireland is the Euro (€).

*If opening account prior to ID card collection, bank may accept IFP offer letter and proof of fees paid as evidence of student status.

Getting to Marino Institute of Education from Dublin Airport

What if my plans change?

If you have booked an airport transfer but your arrival date changes or you decide to arrange your own transfer, you will need to let us know as soon as possible. We will require two business days’ notice to be able to change or cancel your booking.

Making your own way

If you are travelling directly to your accommodation, the safest way is by taxi from Dublin Airport. Prices for journeys to different parts of the city are posted at the official taxi ranks, found on the forecourts directly outside Terminals 1 and 2.

Mobile Phones

Most international students buy a mobile phone for use in Ireland, with the most popular option being the “prepay” phone, also known as “top up” or “pay as you go”. Instead of getting a monthly bill, you top up your credit as needed.

With the pre-pay option, you purchase the phone and get a certain amount of free credit with it. Once your credit has run out, you can top up your credit a number of ways, including through an ATM, buying it in a newsagent or supermarket, or online.

There are three major phone service providers:

- Vodafone  [www.vodafone.ie](http://www.vodafone.ie)
- Eir  [www.eir.ie/mobile](http://www.eir.ie/mobile)
- 3  [www.three.ie](http://www.three.ie)

All of the major mobile providers have retail locations on Grafton Street, just south of Trinity's main gates. Look for mobile phones with Skype capability and other features to allow for inexpensive international calls and texts. It is also possible to obtain an Irish SIM card for use in your existing mobile phone, but you should check with your current provider for details.

If you are phoning a landline in Dublin from your mobile, you should put 01 (Dublin's area code) before the telephone number. If you are phoning a landline elsewhere in Ireland from your mobile, there will be a different area code for each county. The international dialling code for Ireland is +353.

Shopping

For household items like bed linen and crockery, Penneys on Henry Street and Dunnes Stores in the St. Stephen’s Green Shopping Centre have excellent inexpensive ranges. In addition, student-favourite IKEA is located to the north of the city. It is serviced by the 140 bus. Small electronics can be found at Argos, also in the St. Stephen’s Green Shopping Centre. The shops in and around Grafton Street offer a range of clothing and housewares at a wide array of price points. There is another major shopping corridor on the north side of the River Liffey, in and around Henry Street.

Bookstores: Hodges Figgis, 56-58 Dawson Street, have textbooks available on the top floor; Chapters, Ivy Exchange, Parnell Street, have a large selection of used and discounted books; Easons, 40 Lower O’Connell Street, is a large chain bookstore.

Stationery: Easons on Nassau Street and Tiger in Stephen’s Green Shopping Centre stock a wide selection of paper goods and stationery.

Dining

There is a cafeteria on the Marino campus which serves breakfast and lunch.

Groceries

It is best to go to the big supermarkets like Dunnes Stores, Tesco, Supervalu, Aldi and Lidl.
Living in Dublin

For discounted travel within Ireland, you will need to get a Student Travelcard, also known as a Student Leap Card, the National Student Travel and Discount Card. This is the only card accepted by Irish Rail, Dublin Bus, Bus Eireann and LUAS (tram) for student fares. It is also a discount card for hundreds of goods and services nationwide. The Student Travelcard is accepted as authentic proof of student status, allowing you to book a student flight to anywhere in the world.

The application form will be available in the Students’ Union in House 6. Once you have your Trinity ID card, you can get a Student Travelcard for €10. Further information can be found at: [www.studentleapcard.ie](http://www.studentleapcard.ie)

Public Transport in Dublin

You can top up your leap card in most newsagents, and at Dart and Luas stations. For further information on the Leap Card and where to get one please see [www.leapcard.ie](http://www.leapcard.ie)

Dublin Bus

Dublin has an extensive bus route network. Please note that if you don’t have a leapcard or rambler ticket, you must have exact change, as the bus driver will not give change back. Students can buy ‘rambler’ tickets from the Students' Union (SU) shop that allows you to buy a ticket in advance for a set amount of days. For further information on routes and timetables please see [www.dublinbus.ie](http://www.dublinbus.ie)

Nitelink

Dublin Bus operates a night service called Nitelink which runs from the city centre to the suburbs. The Nitelink fare is €6.50. The Nitelink buses are a cheap and safe alternative to taxis. For further information on routes and timetables please see [www.dublinbus.ie/en/your-journey1/timetables/nitelink-services](http://www.dublinbus.ie/en/your-journey1/timetables/nitelink-services)

Bus Eireann (Irish Bus)

Bus Eireann has a nationwide network connecting all major Irish cities and also provides linking services from major cities to smaller towns or villages. Smoking in Ireland
Smoking is banned in all workplaces throughout Ireland, including offices, pubs, bars, restaurants and public transport.

Electricity Voltage
Students who wish to bring electrical appliances with them should note that the voltage in Ireland is 220v. You will also need an adaptor, as the sockets in Ireland have three rectangular holes. Irish electric sockets are the same as in the United Kingdom.

Irish Weather
The Irish Climate is temperate and mild. Temperatures rarely drop below 0°C or rise higher than 24°C. The rain is most often not torrential, but light to medium showers. For clothing, make sure you have a good waterproof and windproof jacket and warm clothing for the winter months.
