Hear From Our Students

UNDERGRADUATE: LAW

Sofia Gonzalez Crespo
UAE

"I always dreamed of going to a renowned university. I visited many universities but none of them appealed to me the way Trinity did: through the professors being one of a kind, having state of the art facilities and the community having a real family atmosphere. I instantly knew I wanted to be part of such a great university. I am really enjoying my course and I love how quickly I have been able to adapt."

UNDERGRADUATE: LAW

Lauryn Musgrove McCann
Australia

"The professors and teaching staff at Trinity are incredible and are always there to answer questions and lend a hand when you need it. Everyone makes the effort to be nice and welcoming, especially to international students."

UNDERGRADUATE: ENGINEERING

Pranav Manish Vora
India

"There are a wide number of courses at Trinity and the professors are highly experienced and helpful. The locals and other students are also very friendly and helpful which makes it easier for an international student to settle in."

POSTGRADUATE: MASTERS DEGREES AND PHD IN PHARMACY

Aaron Koay
Malaysia

"I decided to study pharmacy at Trinity as Ireland is known as a huge European hub for pharmaceutical industry and research. I found the course content challenging yet very rewarding. The supportive network of academics and friends that I find myself in also made the Trinity journey all the more enjoyable and exciting."

POSTGRADUATE: M.SC. IN IMMUNOTHERAPEUTICS

Anastasija Walsh
Ireland

"I chose Trinity primarily for its global reputation. Trinity is Ireland's highest ranked university, and the School of Immunology has an internationally renowned reputation, with some of the most notable immunologists in the world, including Luke O'Neill and Kingston Mills."

UNDERGRADUATE: COMPUTER SCIENCE AND BUSINESS

Shun Ichikawa
Japan

"The international prestige and the strong tradition of academic excellence of Trinity helped me to decide to study here. In addition, the combination of computer science and business perfectly matches today's market needs."

POSTGRADUATE: INTERNATIONAL AND COMPARATIVE LAW (LLM)

Deniz Unsal
Turkey

"I chose Trinity due to its unique historical legacy. The Old Library containing the Book of Kells and the Campanile are spectacular places on campus. The most enjoyable part of my experience in Ireland is Trinity's multicultural and multidisciplinary environment. Trinity offers an academic environment where students from various countries and disciplines come together."

POSTGRADUATE: M.PHIL. IN MODERN IRISH HISTORY. AWARDED HADDAD FELLOWSHIP

Maria Clara Lima
Brazil

"Going to Trinity College Dublin is going global. This historical university is also the path for so many students around the world. The professors and staff are always very welcoming, and I consider Trinity as my new home."

**POSTGRADUATE:
MFA PLAYWRITING**

Breman Rajkumar
United Kingdom

“I chose Trinity because of the international reputation of the teaching staff on the playwriting course and due to its location in Dublin city centre. The city and its culture are awesome, the people are lovely, and there are lots of parks and green spaces to discover, such as Phoenix Park and St Stephen’s Green.”

**POSTGRADUATE:
MSC. IMMUNOLOGY**

Hyesoo Jeon
South Korea

“Trinity is the number one university in Ireland and it also offers high-quality education. Great connections between alumni and students is another advantage and this was particularly important for me as I wanted to get a job after graduation.”

**UNDERGRADUATE:
MEDICINE**

Ikpeme Neto
Nigeria

“A Trinity education has set me apart and given me many opportunities as I’ve gone through my career. As a 4th year medical student, I was able to gain a much sought-after rotation in a leading academic centre in the U.S with the support of Trinity. I was also able to tap into the alumni network to gain access to further opportunities in medicine across many countries.”

**POSTGRADUATE: PHD AT THE
CENTRE FOR ENGLISH
LANGUAGE AND TEACHING**

Alejandra Nuñez Asomoza Mexico

“Coming to Trinity is one of the best things that has happened to me. The beauty of the campus is so inspiring and there is always something new to discover. The library resources are great, and the staff around the campus has always been helpful.”

Trinity's Location

Why Ireland?

Ireland is an English speaking country in the EU.

Ireland has the 3rd highest quality of life in the EU and 8th in the world according to a recent UN report:

worldpopulationreview.com/country-rankings/hdi-by-country

People in Ireland are happy, ranking 14th in the world. (World Happiness Report 2023)

Dublin is ranked in the top 20 of the world's best cities for 2023 in a recent World's Best Cities Report.

Dublin is multi-national. 1 in 5 people in the city are non-Irish nationals, according to the Council of Europe.

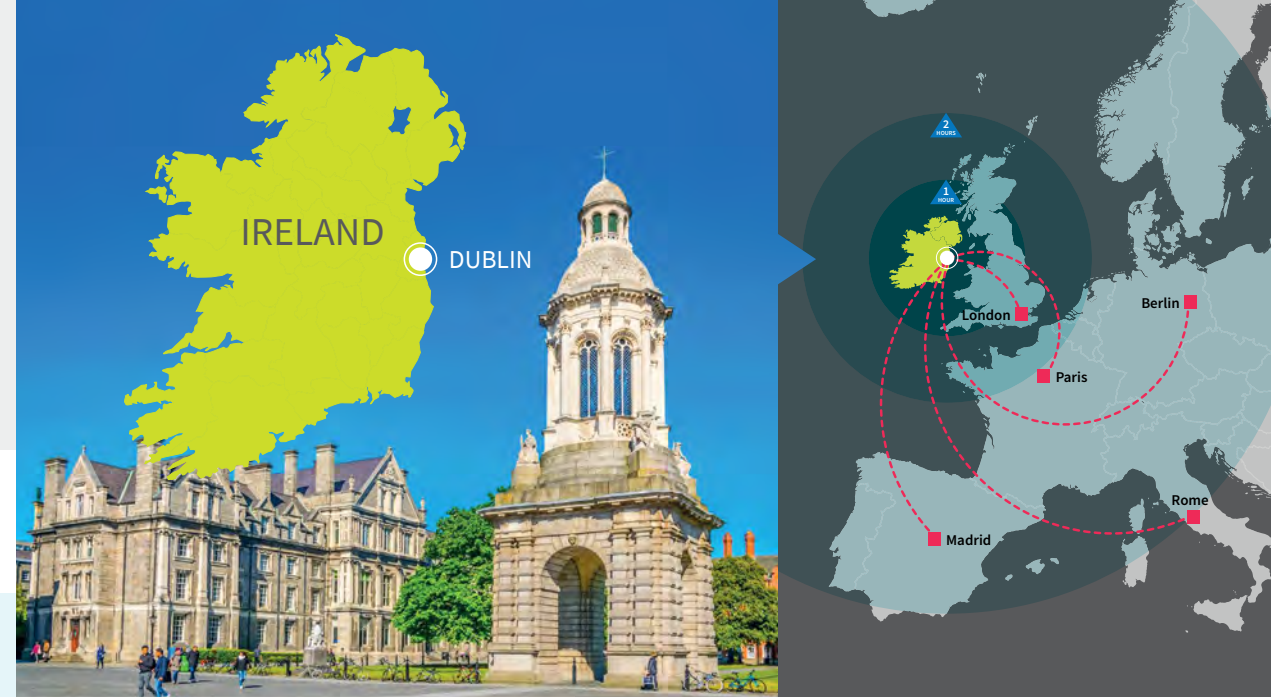

Trinity's central location makes it highly accessible for all forms of public transport: tram, rail and bus stops are right outside the University. www.tcd.ie/maps

Ireland is the 3rd most peaceful country in the world (Global Peace Index 2023)

As a Trinity graduate you can remain in Ireland to work for 1 or 2 years, depending on level of study.

Undergraduate Applicants

We are delighted that you are considering making an application to Trinity College Dublin, the University of Dublin.

We are here to help you every step of the way and please don't hesitate to contact us at study@tcd.ie.

Key Dates for September 2024 Entry

Applications open by 1 November 2023.
Applications for most courses close in June 2024 (some courses close earlier, such as Medicine, Dental Science and Acting). Term dates available at: www.tcd.ie/calendar/academic-year-structure

- Trinity accepts documents through Naviance and Scoir
- Trinity does not use the Common App or UCAS

There are two different pathways for applications and fees in Ireland – applicants from EU/EEA and non-EU applicants: this depends on your residency rather than nationality.

Click here to find the right pathway for you: www.tcd.ie/academicregistry/fees-and-payments/applicants/what-are-my-fees

How to Apply

1. Go to www.tcd.ie/courses and find the course you're interested in.
2. Read the user guide for non-EU applicants www.tcd.ie/study/international/how-to-apply or watch our how to apply video bit.ly/HowToApplyTrinity
3. Apply by selecting the 'Non-EU Application' link under the course description. You can save your application and return to it, but remember to submit it when you're finished!
4. When applying to Trinity you must also include a personal statement. This is 500 words on why you are considering Trinity and the specific course you have chosen, how you see yourself contributing to the Trinity community and what you see yourself doing with your degree. As part of the application process you will also have to provide us with references. Please provide email addresses for one counsellor and one teacher and make sure your referees know to expect a direct email request from Trinity.
5. Note: A non-refundable application fee of €55 applies per course.

Admissions Guide for non-EU Undergraduate Applications

Trinity welcomes applications from students all over the world. What we look for in your application depends on the education system you are coming from, as well as the Trinity programme you are apply for.

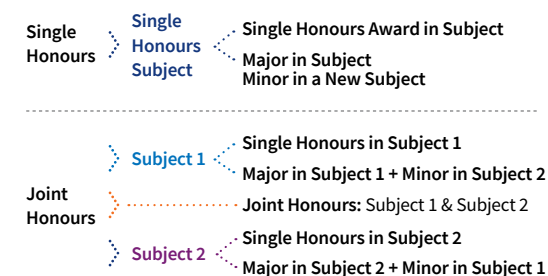

Our Admissions Guide for non-EU Undergraduate Applications will help you to identify what the requirements will be for you:

www.tcd.ie/study/assets/PDF/AdmissionGuideUGNonEUFinal.pdf

Flexible Pathways of Study

Trinity offers both Single Honours and Joint Honours degrees.

We recognise that students' interests evolve over time. These pathways give you the flexibility to focus or expand your domains of interest over your years at Trinity.

Trinity College Dublin and Columbia University – Dual BA Programme

The Dual BA between Trinity and Columbia University offers students an international educational experience across two continents and at two world-class universities.

Students graduate from the Dual BA with two degrees, one from Trinity and one from Columbia. With years one and two spent at Trinity and the final two years at Columbia

Admissions

Applicants to the Dual BA Programme must apply by 2 January for 2024 enrolment.

The admissions process includes a review of the applicant's academic history, letters of recommendation, a personal essay, and an interview conducted in English. Interested applicants are encouraged to preview a PDF version of the application (for reference use only) before starting an electronic application. Applications will be reviewed by a joint committee featuring admissions representatives from both Columbia and Trinity.

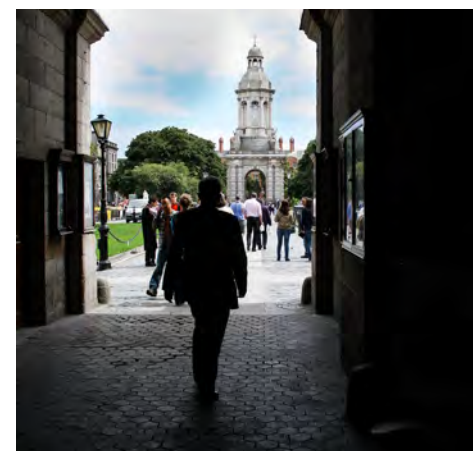

The Dual BA Programme is adopting a test-optional policy (SAT/ ACT) for the fall of 2023.

For further information visit: tcd.gs.columbia.edu or email ColumbiaDualBA@tcd.ie

Interviews

Applicants will receive an update on their application status by early March. Those invited for an interview will be prompted to schedule a time to meet with the admissions committee either in person in New York, Dublin or via teleconference.

Any applicant who is eligible for EU fee status must also apply through the Central Applications Office (CAO) and must secure a place through the CAO in order to be admitted to the programme. EU applicants should visit www.cao.ie and read the "Apply" section carefully.

Full details available at: www.tcd.ie/study/apply/making-an-application/postgraduate

Note: A non-refundable application fee of €55 applies per course.

**Admission opens by
1 November 2023**

Entry Requirements

Postgraduate study at Trinity is academically challenging and as a result the University has high academic entry requirements.

Applicants will need to:

- Hold at least a 2.1 honours degree (3.2 GPA on 4.0 scale) from an Irish university or equivalent result from a university in another country
- Meet the English language requirements

Some courses may require higher standards or require you to take further tests or attend an interview.

English Language Requirements

All applicants whose first language is not English and who have not been educated through the medium of English must present one of the following qualifications in the English language: IELTS, TOEFL, University of Cambridge Proficiency Certificate, Advanced Certificate, Duolingo English Test, Pearson Test of English (Academic) PTE Academic or Trinity Pre-sessional. Please note that the required level of English proficiency may vary from programme to programme. Please consult each programme page at: www.tcd.ie/courses/postgraduate for details.

Please note that test scores are only valid for two years. For further details on these English Language Proficiency Tests, please contact the appropriate organisation directly. An applicant whose first language is not English but who has taken a degree through the medium of English may be eligible provided they did not complete their studies more than two years prior to admission. However, some courses may request applicants to present an English language qualification under certain circumstances.

Visa-required applicants who meet Trinity's English language requirements may be required to present an additional English language proficiency qualification such as IELTS, TOEFL or PTE for visa application purposes. For language requirements please refer to: www.irishimmigration.ie/coming-to-study-in-ireland/english-language-requirements-for-study-visas

The Pre-Sessional English Programme is an academic English course for international students with conditional offers for undergraduate and postgraduate study at Trinity. Passing the programme means you meet Trinity's English language requirement and can progress to your course without retaking IELTS or any other exam. More details here: www.tcd.ie/slscs/english/pre-sessional

Different fees for postgraduate courses will apply depending on whether the applicant is considered an EU/EEA or non-EU student: this depends on your residency rather than nationality. To check which category you are in, visit: www.tcd.ie/academicregistry/fees-and-payments/applicants/what_are_my_fees/index.php

A specific International Postgraduate Student Orientation takes place before teaching commences. Details are available at: www.tcd.ie/students/orientation/postgraduates

Postgraduate Research

at Trinity College Dublin, the University of Dublin

Trinity is recognised as one of the world's leading research-intensive universities and its research continues to address issues of global, societal and economic importance.

Applying for a Masters by Research or PhD at Trinity

As a truly international university, we welcome applications from prospective postgraduate students globally and we hope you will consider choosing Trinity for your postgraduate research.

1. Find a Potential Academic Supervisor

Once you have identified your research area, the next step is to make contact with academic staff in relevant fields and identify a potential supervisor: www.tcd.ie/research

2. Make Contact with Potential Academic Supervisor

Contact potential academic supervisors with a brief research proposal or idea, demonstrating your interest and relevant experience in the research area. If an academic staff member is willing to support your application for a PhD position, they will direct you to the school's online application page. Please note that some schools at Trinity have specific guidelines for applying for a PhD position. It is important to check the Schools' webpage for any additional information at: www.tcd.ie/courses/postgraduate/postgraduate-research

3. Submit your Application

You will need to submit your application by following the guidelines given to you by your potential supervisor. Your application will need to include a detailed research proposal, as well as transcripts, proof of English proficiency, CV and any other relevant document. Your application is then reviewed by the relevant School. The Dean of Graduate Studies conducts the final review and issues approval subsequent to meeting all criteria.

4. Explore Funding Opportunities

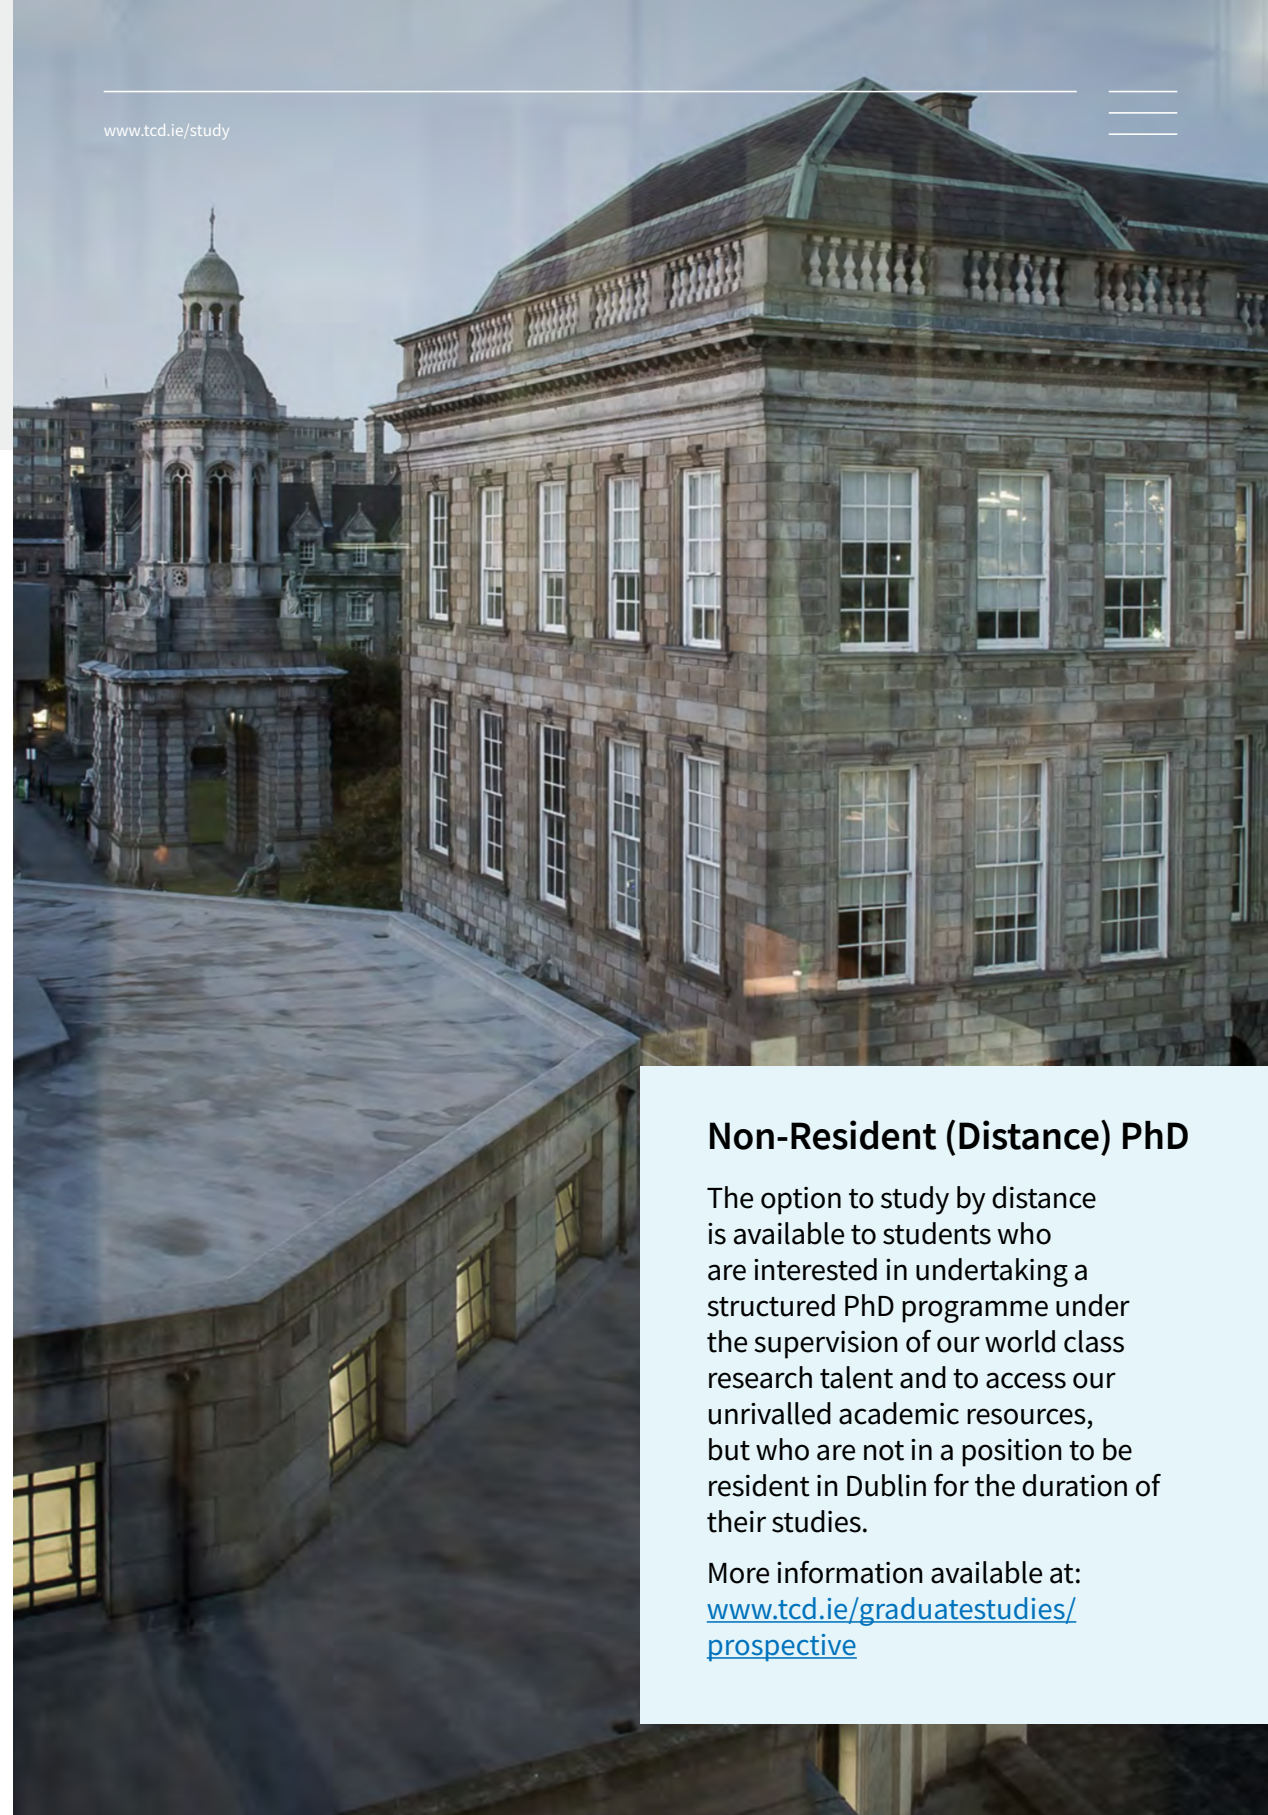

Once you find an academic willing to supervise your research, they will be best placed to advise you of relevant funding opportunities through Irish and European funding agencies. Additionally, you may also:

- Contact scholarship awarding bodies in your home country for possible PhD funding options.
- Review Trinity's postgraduate awards which are available only to students intending to register for full-time higher research degrees (i.e. PhD). www.tcd.ie/study/international/scholarships/postgraduate
- Contact the Regional Manager for your country for information on other opportunities: www.tcd.ie/global/people/#Recruitment

Non-Resident (Distance) PhD

The option to study by distance is available to students who are interested in undertaking a structured PhD programme under the supervision of our world class research talent and to access our unrivalled academic resources, but who are not in a position to be resident in Dublin for the duration of their studies.

Cost to Attend

For Full-Time International Students

Total Costs for One Academic Year

Tuition fees vary by course and are subject to change. Most undergraduate courses last four years and postgraduate masters programmes last one to two years.

For a full list of course fees and details of fee status please see: www.tcd.ie/academicregistry/fees-and-payments. Most international applicants apply as non-EU international students. Fee status is based on residency, not citizenship. There is a non-refundable online application fee of €55 per course.

Funding and Scholarships

Trinity offers a number of scholarship opportunities to assist students of limited means and reward academic achievement. Students are also encouraged to explore external funding options in their home countries.

For more information on available scholarships please see: www.tcd.ie/study/international/scholarships

Accommodation

Trinity is committed to ensuring that all international students have a positive experience while preparing to make the move to Dublin.

All 1st year non-EU full-degree undergraduate students will be prioritised for accommodation in Trinity-owned or Trinity-recommended accommodation provided students apply by the housing application deadline.

There are a range of accommodation options available. Accommodation may include but is not limited to Trinity-owned accommodation such as Trinity Hall or Trinity-recommended accommodation at private student complexes.

Postgraduate and continuing undergraduate students may apply for accommodation in other Trinity recommended accommodation sites. Trinity recommended accommodation will facilitate city centre, self catering living where students will be sharing with students from other years. For further details, see: www.tcd.ie/accommodation

Trinity Hall

Trinity Hall is a first year undergraduate designated off campus residence. Rooms are arranged in self-catering apartments, with each typically accommodating six persons and consisting of a mix of single and twin en-suite bedrooms with a large, shared kitchen/living room. Students may apply for a room once they have accepted a place at Trinity.

Find out more at:

www.tcd.ie/accommodation/trinity-hall

Kavanagh Court

Kavanagh Court is a private student accommodation residence where Trinity first-year undergraduate students will also be housed. Like Trinity Hall, it is self-catering apartment living with single ensuite bedrooms and shared kitchen and living room spaces.

Find out more at:

www.tcd.ie/accommodation/kavanagh-court

On Campus

Rooms on campus are primarily reserved for students in their final year and Trinity Scholars; however, there are a number of rooms on the campus suitable for students who have mobility difficulties and who are capable of independent living. Students may apply for a room once they have accepted a place at Trinity.

Click here for Academic Term Dates: www.tcd.ie/calendar/academic-year-structure

Marino Institute

For students on the International Foundation Programme, their accommodation is in the Marino Institute. Find out more at: eber.life/ie/mie

Other Options for International Students

For students who do not wish to avail of Trinity owned or Trinity recommended accommodation, an alternative is to seek private rented accommodation, usually sharing an apartment or a house with other students.

The Trinity Students' Union (TCDSU) Accommodation Advisory Service helps students find accommodation by providing them with advice and access to house-hunting resources. Find out more at: www.tcdsuaccommodation.org

Eligibility to Work

Non-EU nationals who have permission to undertake undergraduate and postgraduate study in Ireland are entitled to take up casual employment, up to 20 hours part-time work per week or work full-time during holiday periods when their coursework for the year is complete. On graduation, undergraduate students have the possibility to stay in Ireland to work for one year on the Third Level Graduate Scheme, while eligible postgraduate students can stay for up to two years. This allows students to gain valuable work experience in Ireland across a wide range of industries and organisations. Students may also have the option of remaining in Ireland for a longer period if they are able to secure employment that meets the criteria for a Work Permit.

Opportunities Abroad

Study, Work and Volunteer Abroad

Trinity is committed to educating globally aware and engaged citizens who are able to address the many global challenges of the future. Gaining international experience gives you the opportunity to experience new ways of living and learning, immerse yourself in different cultures, and open your mind to the possibility of working overseas.

Go abroad with Trinity

Many Trinity courses include opportunities to go abroad, for cultural and practical learning, as core components. Students can travel to one of Trinity's many partner universities for a semester or a year. An increasing number of internships and research placements are also available. Trinity is a long-standing participant in the

Erasmus university exchange programme and there are hundreds of options for students to learn at universities across Europe. Students can also look at exchange programmes further afield at partner institutions in Australia, Canada, Chile, Cuba, China, Hong Kong, India, Japan, New Zealand, Singapore, South Africa, South Korea, Thailand, and United States.

5 reasons to go abroad during your studies

1. A Global Perspective
2. Enhanced Communication Skills
3. Diversity of Thought
4. Personal Development
5. Enhanced Career Opportunities

Students do not pay additional tuition fees and can receive an Erasmus grant or compete for Global Mobility Bursaries to off-set the costs of travel.

You can find more information at:
www.tcd.ie/study/study-abroad

Student Life at Trinity

Immerse yourself in a broad range of sports clubs and student societies and get a real sense of the 'Trinity Experience'.

Your first days at Trinity

Pre-arrival

Before you arrive, students can attend Trinity's online pre-departure 'Pathway to Belonging' webinar programme to get a feel for what they will need to know before arriving at Trinity. www.tcd.ie/study/international/welcome.php

Freshers' Week

Trinity offers orientation to all new postgraduate and undergraduate students prior to the start of the academic year, this week of orientation is known as Freshers' Week. There are no classes, so it's all about meeting your new classmates, student support information sessions, seeing what sports clubs and societies you want to join, meeting your student mentor who will give you a tour of campus and organise social events, meeting your tutor who will provide support to you throughout your years in Trinity, and of course, the Freshers' Ball. Find out more at: www.tcd.ie/students/orientation

A specific International Postgraduate Student Orientation takes place before teaching commences. Details are available at: www.tcd.ie/students/orientation/postgraduates

What Happens After Freshers' Week?

After the excitement of Freshers' Week, teaching starts and you get a chance to settle into your course. Most classes are a mixture of lectures and tutorials and some have practicals as well. The tutorials are less formal and give you a chance to explore and discuss the topics covered in lectures with your classmates and teaching assistants. Your class representative and your mentors organise events throughout the year that give you further opportunities to get to know your classmates.

Trinity in Twelve Weeks

The "Trinity in Twelve Weeks" virtual programme aims to continue your orientation during your first semester and help your transition to university life. The programme has a new theme every week, from study and exam skills to how to look after yourself while at university. Your mentors will be in touch with you every week to let you know what the week's theme is and to arrange events and activities.

Find out more at: www.tcd.ie/students/orientation/twelve-weeks

Sports Clubs

The Sports Centre is where the majority of our fitness classes and programmes take place, seven days a week. Facilities include a 25-metre swimming pool, climbing wall and fully equipped gym. Students are automatically members of the Sports Centre.

There are 49 sports clubs to choose from including: aikido, badminton, basketball, boating, boxing, climbing, cricket, cycling, equestrian, fencing, Gaelic football, golf, handball, hockey, hurling, judo, karate, kayaking, tennis, rugby, sailing, soccer, squash, surfing and bodyboarding, swimming, table tennis, taekwondo, trampoline, ultimate frisbee, triathlon and volleyball. Find out more at: www.tcd.ie/sport

Student Societies

At Trinity, we have 120 student societies which constitute some of the most dynamic and active university student societies in Ireland with everything from the Animation Society to the Zoological Society. Find out more at: www.trinitysocieties.ie

A Sustainable Campus

Trinity is committed to tackling the global challenges of climate change and biodiversity loss for a healthy, sustainable future. As a Nature Positive university, we are putting environmental sustainability at the heart of our education, research and campus life.

Do you want to be a future leader?

The world is experiencing a period of rapid environmental and social change, which poses risks and opportunities for us all. The leaders and workforce of the future need to be equipped to handle these transitions in a just and sustainable way. To gain the knowledge, skills and resilience that will be needed, Trinity offers students a range of ways to learn about sustainability, and to develop the kind of innovative thinking and adaptability that will be needed.

Education – how can I learn more about sustainability?

As well as addressing sustainability in subject specific ways as part of the curriculum of your chosen course at Trinity, most students can learn about sustainability issues through cross-disciplinary Trinity Elective modules. These are taught by experts across a range of disciplines, with modules including:

- Systems – the Science of Everything
- The Psychology of the Climate Crisis
- Toolkit for a Smart and Sustainable World.

Green Week

This week-long festival during Semester 2 is a focal point of activity across campus. It involves student-focused events such as a careers expo. It's a showcase for the cutting-edge knowledge and innovation in Trinity, and an opportunity to do things differently.

Find out more at www.tcd.ie/provost/sustainability/greenweek/green-week-2023.php

Innovation and action – how can I apply my knowledge?

Increasingly, employers seek graduates with the knowledge and skills needed to face a changing world. There's never been a better time to get involved. One way is by innovating for sustainable solutions with Tangent, Trinity's ideas workspace, which acts as a hub for innovation and sustainable entrepreneurship.

Find out more at www.tcd.ie/tangent

Another is by joining the Green Campus Committee, Students Union, and Student Societies, which provide an opportunity for you to learn more, get involved, and take positive action. Find out more at:
