WELCOME TO TRINITY

Over the past 425 years Trinity College Dublin, the University of Dublin, has developed a reputation for delivering world-class education and is recognised globally as Ireland's leading university. Crossing through the iconic Trinity Arch, into the cobblestoned paths of Trinity's historic campus, you follow in the footsteps of four centuries of alumni who have shaped and are continuing to shape the history of Ireland and the wider world. Today, this tradition of excellence underpins every lecture, every experiment and every research breakthrough in our state-of-the-art facilities. A Trinity education fosters in our students a life-long desire for knowledge and understanding, a capacity for creativity and innovation, cross-cultural awareness and a sense of global citizenship.

COMMUNITY

BEYOND A GREAT EDUCATION

Community is a key element of the Trinity education and every student can benefit from a wide variety of available supports. The truly accessible and dedicated professors encourage students to actively engage in University life and the city beyond the campus gates. A core aspect of the Trinity education is the potential for co- and extra- curricular activities which broaden and reinforce the experience of a Trinity graduate.

OUTSIDE THE LECTURE THEATRE

- Over 200 student societies, publications and sports clubs
- Home to the oldest student societies in the world: 'The Phil' and 'The Hist', rival debating societies, dating back over 300 years
- Publishing the oldest student newspaper in Ireland, founded in 1953
- More than 50 sports clubs welcoming members of all levels

THINK TRINITY FOR COMMUNITY

YOUR LEARNING SUPPORT

Student well-being is extremely important at Trinity, consequently the university offers dedicated personal support and well-being services. Trinity is one of the world's only universities to provide all undergraduate students with a personal tutor - a faculty member who can guide students through their chosen academic pathway.

REPUTATION

RESEARCH CENTRED ENVIRONMENT

Staff and students at Trinity conduct research at the frontiers of their disciplines, with exciting interaction between disciplines such as biology and engineering, business and social policy, creating new approaches to problem solving.

A research-centred education means you will be taught from day one by leading researchers and gain first-hand exposure to research activity, completing an independent piece of original research work as part of your Trinity degree, known as the Capstone project.

TRINITY'S LIBRARY

The largest library in Ireland; Trinity has been a deposit library since 1801, entitled to a copy of every title published in the UK and Ireland. The collection spans several facilities and holds upwards of six million volumes, including over half a million maps.

Although an institution of great antiquity, the Library pioneers modern methods of resource discovery and developments in the teaching, learning and research processes.
