We are delighted to welcome you to Trinity College Dublin, the University of Dublin. As Ireland's leading university, ranked 98th in the world (QS World University Rankings 2023) and 16th most international university in the world (Times Higher Education Rankings 2023), we pride ourselves on being a global research-led university with a diverse and vibrant university community.

This Welcome Guide includes useful information on how we will support you as a new student as well as guidance on visas, immigration, finance and accommodation. We hope you find this Welcome Guide useful and look forward to welcoming you on campus.

Global Room

The Global Room is a welcoming student support hub and event space on campus for all Trinity students.

The Global Room service is supported by a team of [Global Ambassadors](#), students trained to help students with a wide range of queries ranging from immigration and accommodation practicalities to the basics of settling into life in Dublin and at Trinity. During the academic term, the Global Room is normally open from 9:30 to 17:30 Monday-Friday.

The Global Room runs the New2Dublin programme on Monday evenings for several weeks at the start of term to help incoming students adjust to life in Dublin city and answer questions large and small, from making friends to where to find the cheapest groceries.

Over 300 international-themed events are held in the Global Room during the academic year, such as national holiday celebrations, seminars, movie screenings and information initiatives. These events are run by both the Global Room team and Trinity's wide range of clubs and societies.

The Global Room is located beside the Academic Registry in the Watts Building. If you have any questions, please contact tcdglobalroom@tcd.ie

Academic Registry

The Academic Registry is Trinity's central hub for student administrative services. It can be found in the Watts Building, at the East End of the campus: www.tcd.ie/maps/map.php

Academic Registry provides a variety of important resources for students and can assist with queries on a range of services including: admissions, fees & payments, annual student registration, Study Abroad (visiting students & Erasmus) examinations, assessment, and graduation. Academic Registry will provide your student card, help visiting students enrol for classes (modules) and provide several of the documents you will need to register with the immigration bureau, apply for a Personal Public Services (PPS) number and open a bank account.

Once you have completed registration a confirmation of this will be sent to your my.tcd.ie portal. From here you can print your official Trinity Proof of Registration letter. You can request documents or get help with a query by contacting the Academic Registry Service Desk through the my.tcd.ie portal by clicking the ASK AR button or emailing academic.registry@tcd.ie

Visa and Immigration

Students who hold an EU/EEA/Swiss/UK passport do not require a visa to study and work in Ireland. Some, but not all, non-EU/EEA/Swiss/UK students require an entry visa for Ireland. For example, students coming from the United States or Canada do not require a visa to enter Ireland, students coming from China or India do require a visa to enter Ireland.

To see if you require a visa for Ireland visit: www.irishimmigration.ie/wp-content/uploads/2021/07/Immigration-Service-Delivery-Visa-and-Non-Visa-Required-Countries.pdf

Non-EU/EEA/Swiss/UK students who do not require a visa will still be required to register with Immigration Service Delivery (ISD) after arrival. Please see Immigration information on the next page. Please note that INIS has changed its name to Immigration Service Delivery (ISD).

Applying for a Visa

Students should submit their visa applications using the AVATS facility at: www.visas.inis.gov.ie/AVATS/OnlineHome.aspx. The application will only be processed when the online form is completed and the required documentation, passport photograph and appropriate fee are received by the relevant offices as indicated by the online system. There is a dedicated visa processing office in China, India, Nigeria, United Arab Emirates and the United Kingdom. Non-EU/EEA/Swiss/UK students resident in these countries, please refer to your local Irish Embassy website for details of further documentation which may be required.

Please refer to the links below for visa guidelines: www.irishimmigration.ie/coming-to-study-in-ireland

Contact details for embassies can be found here: www.dfa.ie/embassies

Additional information on visas and immigration can be found at: www.irishimmigration.ie

Details on how to register with ISD will be provided in September. Students should aim to schedule an appointment to register with ISD once they complete their registration at Trinity. After you have registered with ISD, you will receive Irish Residence Permit (IRP) card within 15 working days, you will need to have a valid IRP card to allow you to enter and leave the country as many times as you would like.

*Students under the age of 18 registering with ISD will have to be accompanied by a legal guardian resident in the ROI. The guardian would have to show proof of residence (an Irish passport or IRP card) and a letter from the student's parent(s) (if they are not acting as guardian) stating that this is the person they have appointed as guardian.

**Please contact the Global Room at tcdglobalroom@tcd.ie for further information on private guardianship services or any additional queries about ISD.

- IRP card is valid for one year (unless you are a single semester student). It must be renewed each year by the expiry date.
- You must pay a renewal fee of €300 every year.

Financial Information

Tuition Fees

The full listing of tuition fees is available here:
www.tcd.ie/academicregistry/fees-and-payments

Fee Payment

You will receive an invitation to register in August, which will include fee payment. You should note that completion of fee payment does not complete the registration process. All tasks up to and including the Terms and Conditions of registration must be completed in full.

Visiting students should consult with their home institution for more information, as tuition fee structures may vary and financial aid deadlines may differ. Participants in Understanding Ireland: The Semester Start-Up Programme should also consult with their home institution and Trinity regarding payment for the programme.

TransferMate Payment Option

Trinity partners with TransferMate to allow international students to pay from their home country in their local currency. The service also provides a detailed receipt and helps the Student Finance team better track payments to student numbers than using traditional wire transfer payments.

There is no international transfer charge for using the service. This is the recommended method of payment for international students, with credit card payments as a second preference. The TransferMate receipt is accepted by visa offices as proof of payment of tuition fees: tcd.paytostudy.com

Currency

The currency in Ireland is the Euro (€).

Opening a Bank Account

You must open a bank account in person in a bank branch. You are advised to open an Irish bank account after you secure accommodation in Ireland. They may request to see your Trinity offer letter as proof of your circumstances.

Mandatory Documents to Open an Account

- Photo ID (Passport or National ID card)
- Trinity ID card*
- Proof of address: utility bill, Revenue/PPS letter, letter from Trinity Academic Registry sent to Irish address
- Other documents may be requested depending on the bank and their policy on students' country of origin.

There are normally no fees charged on student bank accounts. Ireland's most popular banks:

- AIB www.aib.ie
- Bank of Ireland www.bankofireland.com

After opening an account, you will be able to sign up for online banking and link to a home account. Please allow five working days for bank statement requests, whether made online or in a branch. If you will be under 18 at the time of opening your bank account, you will need a guardian to accompany you to open a bank account. For further information, please contact the Global Room at tcdglobalroom@tcd.ie. For postgraduates and visiting students securing private accommodation, most letting agents and landlords will accept cash or bank draft (which you can obtain with a foreign debit card or cash in an Irish bank) for the first month's rent and security deposit as long as you set up direct debit from an Irish account as soon as possible after opening your new bank account.

Bringing Money to Ireland

Please bring only a small amount in Euro for your arrival. The University does not have any facilities to keep cash safe for you. You should enquire with your bank at home if you can use your debit or credit card in Ireland, as this could be a safe way to obtain cash immediately after your arrival. Once you have opened a bank account in Dublin, money can be transferred by electronic / wire transfer into your new account. Before you leave home, talk to your local bank to find out all the details about making transfers to your account in Ireland (e.g. maximum amount, how long it takes, how much it costs) so that you can plan the best system for your circumstances. International Visa/ Debit cards often require proof of photo ID. Travellers' cheques are not widely accepted in Ireland.

Accommodation

Trinity Accommodation Undergraduate

All first year non-EU full degree undergraduate students are given priority for rooms at Trinity Hall. Trinity Hall is a large, friendly complex housing around 1,000 students with its own Junior Common Room (similar to a Student Union) that organises social activities and outings. Located 4km (2.5 miles) from the city centre, it is accessible by public tram and bus. Accommodation is apartment-style with en-suite bathrooms, with single and twin rooms sharing well-appointed kitchens and sitting rooms.

In 2023-24, Trinity will also have a portfolio of accommodation with 3rd party private student accommodation providers, including Kavanagh Court. Accommodation types will vary depending on the site/location but will be modern student accommodation. These locations provide top of the range student accommodation in Dublin city within walking and short commuting distance of Trinity.

Further information on accommodation types, costs, and booking procedures will be available by February 2023 from www.tcd.ie/accommodation

Accommodation Advisory Service

If you do not secure University housing or wish to find your own accommodation, the Students' Union operates an Accommodation Advisory Service. It is located on the ground floor in the Students' Union building (House 6) on campus. The service is open Monday to Friday from 09:30 to 17:30.

The Accommodation Advisory Service offers computers and phones free of charge to assist with your search. A full-time staff member will be available for queries about accommodation-related issues. The Service will provide information on tenant's rights and health and safety information. The Service also provides an excellent opportunity to meet other students looking for housing.

While Trinity-approved accommodation is very limited for visiting non-EU students, we encourage students to apply as soon as they have an offer from Trinity. Most students who are not housed on campus are offered housing in Trinity-approved student accommodation in the city centre.

For more information or queries relating to private rented accommodation you can contact the Welfare Officer on welfare@tcdsu.org or on +353 (0)1 646 8437.

The Students' Union has also produced a guide on living in Dublin: www.tcduaccommodation.org/living-in-dublin-guide
www.tcduaccommodation.org

If you would like Trinity accommodation, you are advised to apply as early as possible: www.tcd.ie/accommodation

Private (Non-University) Accommodation

Most postgraduate students will need to find private accommodation. Dublin offers a range of options from shared houses and flats to private student residences.

If you have not secured housing in advance of your arrival, we strongly advise you to arrive as early as possible in order to maximise your chances of finding suitable and affordable accommodation, as demand for housing in Dublin is extremely high.

Digs/Lodgings

The Students' Union maintains a list of host families who have rooms (and in some cases full board) available to students.

Digs are traditionally a little cheaper than private rented accommodation. Digs generally cost between €100 - €150 per week on average and vary in what they include (many include bills, meals, laundry, etc.) Make sure to clarify what the cost includes.

Private Rented Accommodation

There are a number of places online that you can search in order to view properties in all areas of Dublin and to get an idea as to what prices you should expect:

Health and Insurance

Trinity recommends that you have a level of insurance to cover your health needs and requirements for the duration of your studies. For example, if you have a pre-existing condition, please check the level of insurance cover in any new policy to ensure that it will cover this.

Trinity has a group insurance scheme for international students with Irish Life that is designed specifically for international students and which covers pre-existing conditions and the normal waiting period for cover is waived. The cost of any policy varies based on age of the applicant. Ensure you state clearly that you are a Trinity student under the insurance group scheme "Trinity College Dublin Non-EU Students policy". Please use the code: 20932 - Trinity College Dublin Non-EU Students to avail of this scheme. You can then choose an insurance policy that suits your individual needs.

EU Students

Students from EU states should apply for a European Health Insurance Card (EHIC) in their home country before departure.

It is very important that you have adequate insurance before coming to Dublin. Please bring your European Health Insurance Card (EHIC) with you. Subsidised Health Services

Non-EU students who will be resident in Ireland for a minimum of one academic year may apply to the Health Service Executive to be assessed for entitlements to public hospital treatment under the same conditions as an Irish citizen. Non-EU students staying less than one academic year do not have any entitlement to free or subsidised health services. www.hse.ie

Trinity Health Service

All full-time registered students are eligible to use the Trinity Health Service throughout the year. The service offers on-campus primary health and psychiatric care. To arrange an appointment, either drop into reception or ring the office. As well as the free general practice (including sports medicine) and nurse-run clinics, there are specialised clinics in physiotherapy, psychiatry, travel health, sexual health, eating disorders and minor surgery.

For emergency visits, the Trinity Health Service sees patients on a first-come, first-served basis in the mornings beginning at 9:30 and after lunch, beginning at 14:00. There are often queues for these emergency clinics, so students hoping to speak to a physician are advised to arrive early.

Students can also attend DUBDOC, an out-of-hours emergency general practitioner service in St. James's Hospital, James's Street, Dublin 8 between 18:00 and 22:00 weekdays and 10:00 to 18:00 weekends and bank holidays. There is an attendance fee of €60. Consultations are strictly by appointment; however telephone advice from the triage nurse is free of charge. DUBDOC can be reached on +353 (0)1 454 5607/453 8006. www.stjames.ie/services

Outside these hours, please telephone the Contactors Medical Bureau at +353 (0)1 830 0244. They will send a doctor on request. Academic Life and Support

Support Tutor

Trinity assigns a Tutor to each full-degree undergraduate student. A Tutor is a member of the academic staff who is appointed to look after the general welfare and development of the students in his/her care. Whilst the Tutor may be one of your lecturers, the role of Tutor is quite separate from the teaching role. Tutors are a first point of contact and a source of support, both on arrival and at any time at Trinity. Their main function is to advise, listen to concerns, help you deal with issues as far as possible and refer more serious difficulties to the appropriate student services. They provide confidential help and advice on personal as well as academic issues or on anything that has an impact on your life. They will also, if necessary, support and defend your point of view in your relations with the University. You should make an appointment to meet with your Tutor during the first few weeks of the academic year. Visit the website for further information: www.tcd.ie/seniortutor

International Students with Disabilities

Students with disabilities or learning difficulties can face additional challenges studying away from home and may avail of reasonable accommodations and supports while studying at Trinity. You should contact the Disability Service at Trinity in advance with any queries you may have so you can be assisted with your plans and offered advice on the type of support available. For more information please visit the Disability Service webpage: www.tcd.ie/disability/prospective-students-/international-students. You should register with the Disability Service as soon as you arrive in Dublin. You will need to bring a copy of your disability documentation from your home university. Please note: a letter listing your exam accommodations is not sufficient. Reasonable accommodations that apply in your home country may not be applicable at Trinity.

Postgraduates

The Postgraduate Advisory Service provides a confidential service for academic and personal support. You can also bring academic concerns to your course director. www.tcd.ie/seniortutor/students/postgraduate

English Language Support

Students for whom English is not their first language are eligible to complete courses in English for Academic Purposes, run by the University. Details on in-sessional and pre-sessional programmes are available here: www.tcd.ie/slscs/english

Computer and Library Access

IT Services is responsible for the University's main computing facilities; this means they will play a big part in your University experience. Visit their website for everything you need to know to get started with IT at Trinity, including what to do next once you have registered at my.tcd.ie, how to obtain your Trinity IT username and password, where to find your course material online and how to access it, your student timetable, connecting to the college Wi-Fi, and getting support for IT: www.tcd.ie/itservices/students/orientation. Once you have received your student ID card, you will have access to the Library. Trinity's Library is the largest library in Ireland. Its collections of manuscripts and printed books have been built up since the end of the sixteenth century and its book stock is now over four million volumes. See here: www.tcd.ie/library

Erasmus Students

Each Erasmus Student is allocated a Department Erasmus Coordinator. The Department Erasmus Coordinator is a member of the academic staff who may provide advice on such matters as choosing courses, assessments and exams. They will be a source of guidance throughout your time as an Erasmus Student. The name of your Department Erasmus Coordinator will be included in your letter of acceptance. You should make an appointment to meet your Department Erasmus Coordinator as soon as possible after you arrive.

Personal Support

Counselling and Student 2 Student

The Student Counselling Service is a confidential, professional service available free of charge to every Trinity student. It offers help in coping with any personal or emotional problems which may impact on your studies or progress in the University and offers learning support and development aids. Appointments should be made directly with the Counselling Service.

From the moment you arrive at Trinity right through to your end of year exams, Student 2 Student (S2S) Mentors are here to make sure your first year is not only fun and engaging, but also a great foundation for the rest of your time at Trinity.

You'll meet your S2S Mentors in Freshers' Week and they'll make sure you know other people in your course before your classes even begin. They'll keep in regular touch with you throughout your first year and invite you to events on and off campus. They'll also give you useful information about your course and what to look out for.

Students' Union

Every registered student at Trinity is automatically a member of the Students' Union. The Students' Union is a representative body with five full-time student sabbatical officers and a number of part-time officers, who look after the educational and welfare needs of Trinity's student population, as well as organising entertainment and events. The Students' Union is based in House 6 in Trinity's Front Square, where it runs an office with up-to-date accommodation and employment advice and listings. Within the building you will find the Students' Union offices plus a newsagent, which stocks sweets, sandwiches, fruit, drinks, basic groceries and the cheapest newspapers in the city. Other services including the Students' Union Bookshop Co-op can be found here: services.tcdsu.org

Photocopying facilities are available, and the Student Travelcard can be purchased here. There is also a Students' Union Shop in the Hamilton Building.

Students will receive a Students' Union Diary during Freshers' Week. These are great sources of information about student life and services at Trinity, life in Dublin and so much more. www.tcdsu.org

Clubs and Societies

A great way to get to know people is by joining one of Trinity's 120 student societies which cover everything from the Afro-Caribbean Society to the Zoological Society. The societies meet regularly and provide an excellent opportunity to meet other students with similar interests. Among the societies are the Philosophical Society (the "Phil"), dating from 1684 and the Historical Society (the "Hist") dating from 1770. There are also many course-related societies, such as the History and the Engineering Society.

Additionally, there are 50 sports clubs at Trinity, so no matter what your sporting preference you will find a club at Trinity to suit you. Or you may like to try something new such as rugby, soccer, hockey, swimming, tennis, Gaelic games, basketball, volleyball, cricket or martial arts. You can turn up at any student society meeting and be sure of a warm welcome. While some societies are free there is usually a small joining fee, anything from €1 to €10 for the bigger sports clubs.

Full details of all the societies can be found at: www.trinitysocieties.ie and details of sports clubs can be found at www.tcd.ie/sport/student-sport. You can meet society reps and sign up in Front Square during Freshers' Week.

Mobile Phones

Most international students buy a mobile phone for use in Ireland, with the most popular option being the "prepay" phone, also known as "top up" or "pay as you go". Instead of getting a monthly bill, you top up your credit as needed.

With the pre-pay option, you buy a phone and get a certain amount of free credit with it. Once your credit has run out, you can top up your credit a number of ways, including through an ATM, buying it in a newsagent or supermarket, or online.

There are three major phone service providers:

- Vodafone: www.vodafone.ie
- Eir: www.eir.ie/mobile
- 3: www.three.ie

All of the major mobile providers have retail locations on Grafton Street, just south of Trinity's main gates. It is also possible to obtain an Irish SIM card for use in your existing mobile phone, but you should check with your current provider for details.

If you are phoning a landline in Dublin from your mobile, you should put 01 (Dublin's area code) before the telephone number. If you are phoning a landline elsewhere in Ireland from your mobile, there will be a different area code for each county. The international dialling code for Ireland is +353.

This is the only card accepted by Irish Rail, Dublin Bus, Bus Eireann and LUAS (tram) for student fares. It is also a discount card for hundreds of goods and services nationwide. The Student Travelcard is accepted as authentic proof of student status, allowing you to book a student flight to anywhere in the world.

The application form will be available in the Students' Union in House 6. Once you have your Trinity ID card, you can get a Student Travelcard for €10. Further information can be found at: about.leapcard.ie/about/tfi-leap-card-types/student
