

Criteria for the Award of Gold Medals

Category 1 Overall mark of 80% and above

019	Computer Science (BA)
412	Computer Science (BSc)
070	Engineering
450	Engineering - Double Diploma
464	Engineering with Management
454	Information Systems (Hons) (BSc)
089	Mathematics
404	Theoretical Physics

Category 2 Overall mark of 75% and above

456	Chemistry with Molecular Modelling
037	Clinical Speech and Language Studies
477	Earth Sciences
420	Human Genetics
476	Human Health and Disease
018	Management Science and Information Systems Studies
436	Medicinal Chemistry
488	Nanoscience, Physics and Chemistry of Advanced Materials
015	Natural Sciences
054	Occupational Therapy
016	Pharmacy
440	Physics and Chemistry of Advanced Materials
017	Physiotherapy
451	Radiation Therapy

Category 3 Overall mark of 73% and above where all modules have a mark of 70% and above

481	Business and Computing
080	Business Studies
405	Business Studies and a Language
503	Deaf Studies
046	Economic and Social Studies
098	Education (B.Ed. Hons 4th yr)
053	European Studies
049	Germanic Languages
040	History
026	History and Political Science (for students taking the course equally for four years)
051	Law
478	Law and Business
408	Law and French
409	Law and German
479	Law and Political Science
470	Philosophy, Political Science, Economics and Sociology
414	Philosophy and Political Science (for students taking the course equally for four years)
480	Political Science and Geography
085	Social Studies
413	Sociology and Social Policy
052	Theology (Hons 4th yr)
082	TSM - Pattern A

Category 4 Overall mark of 73% and above, OR a first class result in each component of the degree

057	Computer Science, Linguistics and a Language
055	Music Education

Category 5 Courses which have a two part Moderatorship. Moderatorship Part 1 - 70% and above (overall). Moderatorship Part 2 - 73% and above (overall), where all modules have a mark of 70% and above, OR 75% and above (overall).

482	Ancient and Medieval History and Culture
023	Biblical and Theological Studies
005	Classics
027	Drama and Theatre Studies
031	Early and Modern Irish
048	English Studies
026	History and Political Science (for students taking the course as a two part Moderatorship)
463	Irish Studies
006	Mental and Moral Science
041	Music
472	Philosophy
414	Philosophy & Political Science (for students taking the course as a two part Moderatorship)
012	Psychology
462	Religions and Theology
082	TSM Pattern B
082	TSM Pattern C
084	World Religions and Theology

Category 6 Overall mark of 70% and above

067	Dental Science
066	Medicine
455	Medicine (5-year)

Category 7 Overall mark of 80% and above¹

- | | |
|-----|-------------------------------------|
| 069 | Human Nutrition and Dietetics |
| 541 | Human Nutrition and Dietetics (BSc) |

Category 8 Overall mark of 75% and above in final year², and Overall mark of 70% and above in JS and SS years (and Year 5²), and must pass all clinical placements on first attempt in JS and SS years (and Year 5²)

- | | |
|-----|---|
| 457 | Children's and General Nursing ² |
| 458 | Midwifery (BSc) |
| 446 | Nursing Studies |

¹ A first class degree is awarded at 75% for the Human Nutrition and Dietetics course and is therefore presented in a separate category to distinguish this course from those listed in Category 1 where a first class degree is awarded at 70%.

² The duration of course 457 is 4.5 years and the final degree year is Year 5.
