The School of Social Work & Social Policy has been allocated a small fund by the Trinity Foundation arising from the recent Alumni Appeal. This fund is being used to support PhD student research, for the following purposes only:

1) Participation in an academic meeting or conference relevant to the student’s research.
2) Participation in a training course or workshop relevant to the student’s research.
3) The purchase of software (student licenses only).
4) Costs related directly to the conduct of PhD research (e.g. travel related to data collection; transcription; purchase of a dictaphone).

All applications to this fund must be supported by the student’s supervisor. A student may claim up to a maximum of €300 in any academic year and all applications must include relevant receipts.

PLEASE NOTE THAT THE AWARD OF FUNDING IS SUBJECT TO THE AVAILABILITY OF FUNDS IN THE SCHOOL’S PG RESEARCH FUND.

Applications for reimbursements will only be processed within 6 months of the costs incurred. Eligibility to avail of the reimbursement becomes invalid after this time. Both informal inquiries regarding eligibility to apply for reimbursement and formal applications for reimbursement should be made to the Director of Teaching & Learning Postgraduate (DTLPG). Applications are reviewed by a sub-committee of the School’s Postgraduate Teaching and Learning Committee. The student must submit proof of travel or conference registration fee or workshop fee. Students receiving funding to support their attendance at training events or workshops may be asked to give a short presentation to other students in the School.
