POSTGRADUATE CERTIFICATE IN CREATIVE & CULTURAL ENTREPRENEURSHIP
LEVEL 9 (30 ECTS)
The Postgraduate Certificate in Creative & Cultural Entrepreneurship is a part-time blended programme combining online (40% delivery) and classroom-based learning (60% delivery), providing participants with an accessible and flexibility approach to learning while having the ability to keep working or to dedicate themselves to building their own business full-time. This is an ideal opportunity to discover your creative value and develop a sustainable career while pursuing a postgraduate certificate.

PROGRAMME OVERVIEW

Do you want to create a sustainable career and future for yourself in the vibrant creative and cultural industries? Have you got a great idea and you want the tools to help to make it a reality? Do you want your idea to have an impact? Are you interested in harnessing your creative or cultural talents and learning more about how to use them for an entrepreneurial venture?

On this practical Postgraduate Certificate (Level 9) in Creative & Cultural Entrepreneurship, participants will learn everything that they need to develop, manage, and thrive as a creative and/or cultural entrepreneur, even if they do not have any previous business experience.

Participants on this programme will have access to networking opportunities with potential collaborators, mentors and investors. Participants will collaborate across disciplines, bringing together people with diverse yet complimentary skill sets and backgrounds.

WHY CHOOSE TANGENT, TRINITY’S IDEAS WORKSPACE?

You will have access to leading academics in a new purpose-built vibrant workspace at Trinity College Dublin. You will also have access to a world-class creative and cultural community at the university, which features regular industry-leading guest talks, masterclasses, and events.

DELIVERY

The Postgraduate Certificate in Creative & Cultural Entrepreneurship is a part-time blended programme combining online (40% delivery) and classroom-based learning (60% delivery), providing participants with an accessible and flexibility approach to learning while having the ability to keep working or to dedicate themselves to building their own business full-time. This is an ideal opportunity to discover your creative value and develop a sustainable career while pursuing a postgraduate certificate.
The part-time course is comprised of three modules, totaling 30 ECTS and delivered over a 5-month period.

Module 1 – Career Pathways
