ARE YOU FUTURE-READY?
POSTGRADUATE CERTIFICATE IN CREATIVE THINKING, INNOVATION & ENTREPRENEURSHIP

Starts 18 Oct 2021

UPSKILL FOR FREE
LEVEL 9 (30 ECTS)

Application Deadline: 23 Aug 2021
PROGRAMME OVERVIEW

Students participating in this course explore their creative potential and acquire a range of transferable skills such as communication, problem solving and personal leadership.

Students experience and engage in the innovation process in conjunction with real entrepreneur’s, business leaders and industry mentors in a dynamic yet informal learning environment. They also participate in industry hosted innovation projects and propose creative solutions to challenges faced by public and private organisations.

This programme focuses on the continuing professional development of individuals who are seeking a return to the workplace, have an idea for a business, or are considering a new career direction.

It covers the fundamentals of creative thinking, opportunity identification and venture planning.

“I WOULD ADVISE ANYONE TO DO IT, I ACTUALLY WISH IT WAS LONGER.”
– Davina Brady, Past Participant

“I would strongly recommend Trinity's Postgraduate course in Creative Thinking, Innovation and Entrepreneurship. It combines excellent guest lecturers and committed course leaders with in-depth peer-to-peer learning in an immersive and stimulating programme that has both academic and practical benefit.”

Eugene Bent,
2018 Participant
