Welcome to our first newsletter from Landscape Park for 2020. We would like to thank all our families and friends for your support this year. We miss seeing you all but we want to show you what we are getting up to in the unit.

We really look forward to sharing time together in our home with you all in the near future! John, Mark, Paul, Elizabeth and Alice all got involved in making this newsletter. They all chose what pictures they wanted to put in. Hope you enjoy!

[In the Garden...](#)

We have been really enjoying the good weather in our lovely garden.

We decided to clear up our garden and plant some new flowers, plants and vegetables.

Here is Paul doing a great job of cleaning up the weeds and dead leaves and putting down new compost.

We have been working hard to look after our new flowers and plants. Here is Paul, John, Elizabeth and Mark hard at work.

Every few days we check our plants and water them.

Mark planted some tomato seeds and now calls himself the 'Tomato Man' !

We have been enjoying the sunshine and have been doing loads of fun activities outside.

We have been playing games of bowling which have been a great laugh.

Here is Paul, Elizabeth, Mark and John all playing bowling together.

We have also been doing lots of art and crafts. We made Mothers Day and Easter cards. We then posted them to our families.

We hope you all liked your cards we made. Let us know if you want more cards or artwork posted to you.

Here is Paul, Elizabeth, Mark and John all doing arts and crafts together.

In our Home...

We have been very busy in the kitchen in Landscape Park. We have been practicing our baking skills.

Paul has proved to be a natural baker. He has really enjoyed following the recipe and watching the cakes cook in the oven!

We have made apple crumble, lemon drizzle cake and cupcakes so far. They were all delicious!

Mark, John and Elizabeth have all been fantastic during our baking activities. They have loved doing their individual tasks and seeing the end result.

And of course they have all enjoyed eating the cakes they have made!

We have also just enjoyed our time at home and relaxed.

Here is Elizabeth enjoying a nice relaxing foot spa. Elizabeth also had her nails painted.

We have played some games together our favourite is Jenga!

We also had a 'Movie Night' in Landscape.

John was the 'Ticket Man' he collected all the movie tickets. We all sat down and watched a movie together.

Here is Alice joining her peers for the movie night.

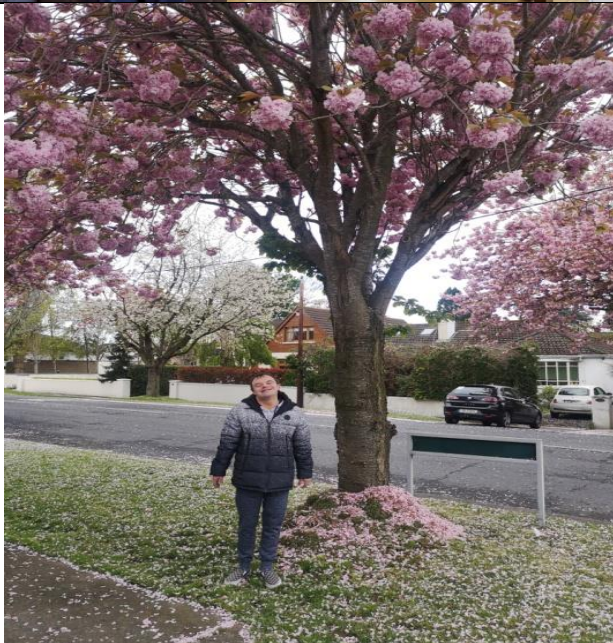

Here is Mark, Paul and Elizabeth watching their movie!

Landscape Park has their very own barber shop thanks to Ciara!

The lads are all very happy with their hair cuts!

Out in the Community...

We have also been out and about in our local community. We have been going for lots of walks and drives.

Here are some lovely pictures of John, Paul and Elizabeth out for walks and enjoying a Picnic!

Alice has been going for lots of drives and has visited Turas regularly.

Alice likes going for walks in the garden. Her favourite thing to do is play with the big bouncy ball in the hall. She loves it!

We're so lucky to have so many ways to communicate with our friends and family.

Here is Alice having a zoom call with her Dad.

Mark, Paul and Elizabeth all visited Ailesbury to relax for the day.

They enjoyed a lovely lunch in the sun and a fancy dinner!

To our family and friends, We miss you all a lot and are always thinking of you! Thanks for reading our Newsletter! Stay safe from all in Landscape Park.
