TRINITY COLLEGE DUBLIN AND HRB-TMRN WINTER SCHOOL:

Advances in Trial Methodologies for Digital Health Interventions

WINTER SCHOOL OVERVIEW

Trinity College Dublin, in collaboration with the HRB Trials Methodology Research Network (HRB-TMRN), will host a two-day Winter School focusing specifically on issues relevant to conducting trials of digital health interventions.

This workshop will bring together leading national and international experts from the field of digital health and intervention research for two days of presentations, workshops and discussion on best research practice.

WHO SHOULD ATTEND?

The winter school is suitable for anyone interested in developing their knowledge of and skills in conducting trials in the area of digital health.

REGISTRATION DETAILS

<https://www.hrb-tmrn.ie/training-education/upcoming-events/>

FEE

€200 (General Admission) / €120 (Student).

Refreshments and lunch included.
