

## **Trinity Business School**

### **Role of External Examiner**

the following are the tasks undertaken by our External Examiners:

1. Review and comment on draft exam papers.
2. Spend up to three days in the School, reviewing scripts and other graded material, offering views on marginal cases and meeting with individual internal examiners.
3. Attend the court of examiners and also contribute feedback and recommendations at a post exam court meeting of internal examiners.
4. Provide a written report according to College regulations.
