Erasmus - Planning and Researching

- Each of your subjects may have discipline partnerships with host universities
- You can apply to each of your TJH subjects – which means you can apply to more than one exchange
 - E.g. if you are on English and French Joint Honours you can apply for an English Erasmus place and a French Erasmus place
- Please check with your Departments for further information
 - They may have specific application criteria
 - They may have their own policy regarding their partnership exchange
 - Deadlines may vary with each Subject

International/Study Abroad

Planning and Research

- Open to all eligible students at Trinity and is very competitive.
- Check with Trinity Global for deadlines – usually early Semester 1
- Visit **Outbound Trinity website for list of universities where you can apply to go**
- It is your responsibility to research if you can study both of your subjects at your host university
- Students can apply for both Erasmus and International Exchange
- WARNING:

If you accept an offer for International Exchange you will not be offered an Erasmus Exchange so think about this carefully before accepting.

Please check with the Disability Office about going abroad to enquire about supports available

Askds@tcd.ie - reference Erasmus

Please visit their webpage for Outbound Students Erasmus Supports

The screenshot shows the Trinity disAbility Service website. The header is blue with the text 'Trinity disAbility Service' and a navigation menu with items: 'Menu', 'Home', 'Exam Supports', 'Student Supports' (highlighted in teal), and 'Application for Reasonable Accommodati'. Below the header, the breadcrumb trail reads 'SUPPORT & RESOURCES / [ERASMUS DISABILITY SUPPORTS](#)'. The main heading is 'Participation in the Erasmus programme by disabled students- both inbound and outbound'. The body text states: 'Students who have secured reasonable accommodation with the Disability Service who are going on Erasmus- both inbound and outbound should contact their Disability Officer to discuss how best to prepare including disclosing a disability to a host university (Trinity in the case of inbound students) and seeking reasonable accommodations. This is best done as soon as possible after application and no later than the end of the 3rd week of June in the case of outbound Trinity students'.

Pathways and their impact on Erasmus and Study Abroad

As a TJH student you are expected to study your subject(s) while on exchange.

- You will choose your final degree pathway as part of progression to the Junior Sophister year.
- You have to mirror the ECTS requirements of your pathway
- Please consider any potential Capstone pre-requisite requirements
- Your Learning Agreement for your Trinity-sanctioned exchange **must** be approved by your Exchange Coordinator(s) and this office (UCAO) before you go on exchange or within 4 weeks of arrival
- Your final degree award is based on your final two years, Junior Sophister is weighted at 30% and Senior Sophister is 70%

Exceptional Circumstances

- If necessary, students may leave their exchange provided they can return to Trinity before 4 week of teaching at Trinity.
- Front-loading – need permission from both Departments and UCAO – your responsibility to ensure you are registered to correct modules in Trinity
 - The majority of subjects cannot accommodate this
- You must take reassessment opportunities available to you at your host university – research timelines, format etc. You cannot be reassessed in Trinity.
- This session is just to get you thinking – we'll cover more detail next year when you have more context
