What is a New Minor Subject?

- A second subject that you can opt to study along side your Single Honours subject from the first semester of your SF year. It is not possible to take up at any other time.
- You may choose to study this subject to award and if so you will graduate with a Major award in your Single Honours subject and a Minor award in the second subject.

Do I have to take up a New Minor Subject?

- No – in this case you will proceed towards a Single Honours degree in your subject.
- As part of SF year you will take 20-ECTS of Open Modules and Trinity Electives
- You will then take a further 10-ECTS of Open Modules and Trinity Electives in your JS year.

I am interested in NMS – what do I need to know?

- There are 25 subjects in total and over 266 places available with Polish being offered for the first time in 2024/25.
- Places on a New Minor Subject will be allocated on a first come, first served basis as a quota applies to some subjects. We would recommend you login **ASAP** when Pathway Selection opens on the **13th March**.
- You can indicate a preference for up to **3** New Minor Subjects in order of your preference. A majority of students have gotten their 1st preference.
- Not all New Minor Subjects are compatible with all Single Honours subjects. Please see <http://www.tcd.ie/tjh/new-minor-subject> for full compatibility details
- Statistics is only available to Single Honours Mathematics students.
- In 23/24, **Economics, Film, & Spanish** were the most popular New Minor Subjects and filled most or all of their places.
- Between your SF and JS years, you will choose whether to continue with your New Minor Subject to award. If you choose to continue with it to award, you must continue your studies in it to graduation. **It will not be possible to drop it at a later date.**

Open Modules & Trinity Electives

- If you choose not to take up a New Minor Subject you will need to take 20 ECTS of Open Modules and Trinity Electives in SF year.
 - Students are required to take a minimum of one Trinity Elective (5-ECTS each) and a maximum of two Trinity Electives in your SF year.
 - Students then take Open Modules to fill the remaining ECTS out of 20.
- Information on Trinity Electives can be found at www.tcd.ie/trinity-electives
 - Always valued at 5-ECTS.
 - Can take a maximum of one Trinity Elective per semester.
- Information on Open Modules can be found at www.tcd.ie/tjh/open-modules. The information on Open Modules for 2024-25 will be published as soon as possible and please direct queries to open.modules@tcd.ie

Anything else to keep in mind?

- If you plan to sit Foundation Scholarship Exams, please note that examinations will be in your SH Subject only.
- If you hope to go on Erasmus or Exchange in Year 3 and wish to continue your new minor subject to award, you will need to source an exchange that will allow you to study both your Major and Minor subject. For Erasmus, please email tjh.erasmus-studyabroad@tcd.ie
- If you do not participate in Pathway Selection you will be defaulted to the Single Honours pathway.

Queries

- Queries on academic content of new minor subjects should be directed to individual department contacts listed on the New Minor Subject website.
- If you think of any questions after the session or during/after pathway selection and online module enrolment, please email joint.honours@tcd.ie and we will do our best to help!
