Please note the following:

- This list of Open Modules is indicative and correct at the time of publication.
- Open modules are offered on a first come, first serve basis and a module may not appear to you in SITS for any number of reasons, including cancellation, a module reaching its capacity limit, or a timetable change that renders it incompatible with your programme.
- We would recommend that you prepare to select a number of Open Modules that may be of interest to you while being mindful of any pre-requisites.
- The maximum number of credits you may take in Open Modules in SF year is 15 ECTS.
- We would recommend that you consult the document ‘Balancing your Open Modules and Trinity Electives – SF Students on a Joint Honours Pathway’ in order to support you making choices which ensure you achieve a balanced number of credits (30 ECTS) in each semester. You will not be able to complete online module enrolment without doing so.
- Some Module Descriptors are available online for Open Modules, please consult the ‘Index of Open Modules for Senior Freshman Students’ to find relevant links where available. If there is no link available on the Index and you are seeking further information, you may wish to contact the Department office running the module.
- General queries on Open Modules should be addressed to joint.honours@tcd.ie
