Trinity Translational Medicine Institute (TTMI) Transition Year Programme *March 2-6, 2026*

TTMI will host the annual 'Translational Medicine Transition Year Programme' at St. James's Hospital on the week of March 2-6, 2026. This programme is a 1-week, full-time course filled with lectures, demonstrations, tours and hands-on experiments provided by academics and researchers at Trinity College. Topics covered will include genetic variation in disease, the immune system, diagnosis and treatment of cancer, neonatal brain injury, tuberculosis, mental health, nanomedicine, forensic medicine and more.

The course is open to Transition Year students who are interested in pursuing a career in the biomedical sciences. To apply, please contact Gina Leisching(gina.leisching@tcd.ie) outlining why you would like to attend this course. This should not exceed one page and should be submitted before December 20, 2025.
