

26th September 2020

To Whom It May Concern

This review has been conducted by the Trinity College Data Protection Office to evaluate the intended processing of personal data for the purposes of the **Trini-Screen** study and the consequent impact on individuals' rights.

My Office has assessed draft versions of the documentation listed below and provided feedback as part of the review process. Upon review of revised versions of same I am satisfied that the advice provided has been taken into account and that the intended processing of personal data for the purposes of this study as detailed in these documents is in compliance with data protection legislation, specifically the EU General Data Protection Regulation (GDPR), Data Protection Acts 1988 - 2018 and Health Research Regulations 2018.

Documentation

- Trini-Screen Data Protection Impact Assessment
- Communication to Students - Text
- Description of Study Process - Stages, Timeframes and Stakeholders
- Participant Information Leaflet
- Consent Form
- Instruction and FAQs Leaflet

If at any stage there are further changes to the processing activities that have been considered by this review, please contact me.

Sincerely,

John Eustace, Data Protection Officer.
